

# THE CITY THAT LEAVES YOU WANTING MORE

1 hour and 25 minutes from Paris by train

**"No one wants to struggle and stress getting to an event, even if it is held in a magnificent location. The fact that you can get to Rennes from Paris in just 1 hour and 25 minutes by train, or in 1 hour and 30 minutes by plane from Toulouse or Marseille, weighs heavily in the balance. This city's location has proven to be strategic for our colleagues across France."**

Doctor Alexis Arnaud, at the 41<sup>st</sup> teaching seminar of the *Société Française de Chirurgie Pédiatrique* (French Society of Paediatric Surgery)
